PNWCA 2011 and 2012 Conferences

Budget uncertainty was such a pressing issue in the Pacific Northwest this year that we were unable to find a director who was willing to risk hosting the regional conference.

In an effort to encourage collaboration and professional development despite the difficult economic times, the board has agreed to award small stipends for mini-regionals.

We are still working to secure a host for the 2012 regional.

PNWCA Membership

Our membership consists of secondary and higher education writing centers in Oregon, Washington, Idaho, British Columbia, Alberta, and Alaska.

Schedule of Directors' Day Out Meetings
